

The system is designed to be user-friendly and easy to use. It allows users to upload documents from their local devices or via a secure web portal. The system automatically processes the documents and makes them available for review. This process is highly efficient and reduces the time and cost associated with traditional source review methods.

**Easy to Use Technology**

- User-friendly interface
- Intuitive navigation
- Simple document upload process
- Clear review workflow
- Comprehensive reporting tools

**Ensure Data Quality and Compliance**

- 21 CFR 314.11 compliance
- Automated document verification
- Secure data storage and transmission
- Audit trail for all actions
- Integration with existing systems

**Improve Efficiency and Speed**

- Accelerated review process
- Reduced manual data entry
- Streamlined communication
